APPENDIX I DETAILS OF THE DIRECTORS PROPOSED FOR RE-ELECTION
--

Save as disclosed above, there is no other information related to Mr. Liu that need to be disclosed pursuant to the requirements of Rule 13.51(2) of the Listing Rules nor other matters that need to be brought to the attention of the Shareholders and the Stock Exchange.

In addition, as far as the Directors are aware, there is no other matter concerning the four aforementioned Directors that needs to be brought to the attention of the Shareholders and there is no information relating to these Directors required to be disclosed pursuant to any of the requirements of Rule 13.51(2)(h) to (v) of the Listing Rules.

The following is an explanatory statement required to be sent to the Shareholders under the Listing Rules, to provide the Shareholders with all the information reasonably necessary to enable them to make an informed decision on whether to vote for or against the ordinary resolution to approve the grant of the Repurchase Mandate to the Directors.

LISTING RULES RELATING TO THE REPURCHASE OF SHARES

The Listing Rules permit companies whose primary listings are on the Stock Exchange to repurchase their securities on the Stock Exchange and any other stock exchange on which securities of the company are listed and such exchange is recognised under the SFO subject to certain restrictions. Among such restrictions, the Listing Rules provide that the shares of such company must be fully paid up and all repurchases of shares by such company must be approved in advance by an ordinary resolution of shareholders, either by way of a general mandate or by specific approval of a particular transaction.

SHARE CAPITAL

As at the Latest Practicable Date, the Company had 1,113,014,000 Shares in issue. Subject to the passing of the resolution granting the Repurchase Mandate and on the basis that there is no change to the number of issued Shares before the AGM, the Company will be allowed to repurchase a maximum of 111,301,400 Shares which represent 10% of the total number of Shares in issue as at the date of the passing of the resolution.

REASONS OF THE REPURCHASE

The Directors believe that it is in the best interests of the Company and the Shareholders to seek a general authority from the Shareholders to enable the Company to repurchase its Shares on the Stock Exchange. Such repurchase may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net asset value per Share and/or its earnings per Share and will only be made when the Directors believe that such repurchases will benefit the Company and the Shareholders as a whole.

FUNDING OF THE REPURCHASE

The Company is empowered by its memorandum and Articles of Association to repurchase its Shares. In buying back Shares, the Company may only apply funds legally available for such purpose in accordance with its memorandum and Articles of Association and laws of the Cayman Islands and the Listing Rules. A listed company may not repurchase its own securities on the Stock Exchange for a consideration other than cash or for settlement otherwise than in accordance with the trading rules of the Stock Exchange. The laws of the Cayman Islands and the Articles of Association provide that payment for a share repurchase may only be made out of profits or the proceeds of a new issue of Shares made for such purpose or subject to the Cayman Companies Act, out of capital of the Company. In addition, under the laws of the Cayman Islands, payment out of capital by a company for the purchase by a company of its own shares is unlawful unless immediately following the date on which the payment is proposed to be made, the Company shall be able to pay its debts as they fall due in the ordinary course of business.

IMPACT OF REPURCHASES

The Directors propose that any of such repurchase of Shares would be appropriately financed by the Company's internal resources and/or available banking facilities. The Directors consider that if the Repurchase Mandate is to be exercised in full at the current prevailing market value, it may have a material adverse impact on the working capital and the gearing position of the Company, as compared with the positions disclosed in the audited consolidated financial statements of the Company as at 31 December 2022, being the date to which the latest published audited consolidated financial statements of the Company were made up. However, the Directors do not intend to exercise the Repurchase Mandate to repurchase Shares to such extent as would, in the circumstances, have a material adverse effect on the working capital requirements of the Company or the gearing levels which in the opinion of the Directors are from time to time appropriate for the Company.

DIRECTORS, THEIR CLOSE ASSOCIATES AND CORE CONNECTED PERSONS

None of the Directors nor, to the best of their knowledge, having made all reasonable enquiries, any of their respective close associates, as defined in the Listing Rules, currently intend to sell any Shares to the Company or its subsidiaries under the Repurchase Mandate, if the same is approved by the Shareholders.

No connected person, as defined in the Listing Rules, of the Company has notified the Company that he/she/it has a present intention to sell any Shares to the Company, or has any such connected person undertaken not to do so, in the event that the grant of Repurchase Mandate to the Directors is approved by the Shareholders.

UNDERTAKING

The Directors have undertaken to the Stock Exchange that, so far as the same may be applicable, they will exercise the power of the Company to make repurchases under the Repurchase Mandate in accordance with the Listing Rules and the applicable laws of Cayman Islands and in accordance with the regulations set out in the memorandum of association of the Company and the Articles of Association.

EFFECT OF THE TAKEOVERS CODE

If as a result of a repurchase of Shares, a Shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition for the purposes of Rule 32 of the Takeovers Code. Accordingly, a Shareholder, or group of Shareholders acting in concert, depending on the level of increase in the Shareholder's interest, could obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with Rule 26 of the Takeovers Code.

As of the Latest Practicable Date, the largest Shareholder, Flourish Investment International Limited directly held 493,270,000 Shares, representing approximately 44.32% of the total number of Shares in issue. To the best knowledge of our Company, Flourish Investment International Limited is a company incorporated in the British Virgin Islands with limited liability. The issued share capital of Flourish Investment International Limited is wholly-owned by Mr. Zhang Lianghong. For the purpose of the SFO, Mr. Zhang Lianghong is deemed to have an interest in the Shares held by Flourish Investment International Limited. In the event that the Directors exercise in full the power of the Company to repurchase Shares pursuant to the Repurchase Mandate, the shareholding interests of Mr. Zhang Lianghong and Flourish Investment International Limited would increase from approximately 44.32% to approximately 49.24%. Flourish Investment International Limited and Mr. Zhang Lianghong may be obliged to make a mandatory offer under Rule 26 of the Takeovers Code. The Directors have no present intention to exercise the Repurchase Mandate to such an extent so as to give rise to such obligation. Save as aforesaid, the Directors are not aware of any consequences which would arise under the Takeovers Code as a result of any repurchase of Shares pursuant to the Repurchase Mandate.

In addition, the Directors do not have any intention to exercise the Repurchase Mandate to the effect that it will result in the public float to fall below the percentage as required under the Listing Rules or such other minimum percentage agreed by the Stock Exchange from time to time.

SHARE REPURCHASE MADE BY THE COMPANY

The Company repurchased a total of 3,838,000 Shares at an aggregate consideration of approximately HK\$3,909,640 during the six months preceding the Latest Practicable Date. The details of Share repurchases are as follows:
