FINAL OFFER PRICE

The final Offer Price has been determined at HK\$1.33 per Offer Share plus brokerage of 1.0%, SFC transaction levy of 0.0027% and Stock Exchange trading fee of 0.005%.

NET PROCEEDS FROM THE SHARE OFFER

Based on the final Offer Price of HK\$1.33 per Offer Share and 280,000,000 Shares offered by the Company, the net proceeds from the Share Offer to be received by the Company, after deducting the underwriting commissions and estimated expenses paid and payable by the Company in connection with the Share Offer, is estimated to be approximately HK\$332.2 million. The Company currently intends to apply such net proceeds as follows:

- as to approximately 22.0% of the net proceeds, representing approximately HK\$73.3 million, will be used to settle (a) the amount payable of HK\$63.6 million for the three land parcels for the development of the Hubei Jingzhou Project whose land use rights were acquired by our Group on 19 February 2019; and (b) the construction costs for the relevant infrastructure such as road works and border wall of HK\$9.7 million.
- as to approximately 36.8% of the net proceeds, representing approximately HK\$122.1 million, will be used to expand the existing wastewater treatment facility of the Tianjin Bingang Park from the current handling capacity of 6,000 tonnes per day to 22,000 tonnes per day to cater for the expected increase in wastewater generated from our tenants after completion of the Tianjin Bingang Park development. We have already entered into construction contracts for the expansion works and we have settled certain part of the construction costs. We intend to use the net proceeds as described above to fund the remaining portion of the construction costs;
- as to approximately 18.4% of the net proceeds, representing approximately HK\$61.1 million, will be used to settle the construction costs of two factory buildings with an aggregate GFA of approximately 29,000 sq.m. in the Guangdong Huizhou Park the construction which has been completed and has passed government inspection at the end of April 2019. Pursuant to the payment term of construction contract, we will pay the construction costs after the construction and inspection by relevant authority is completed;
- as to approximately 18.4% of the net proceeds, representing HK\$61.1 million, will be used to early repay (without prepayment penalty) part of our bank borrowings which are short term bank borrowings.
